

Homework Grid – Willow Class

Our topic this half term is 'Stone Age to Iron Age'

Creative homework is a long term project designed for parents and children to work on together. You must do the middle square and then two activities either side to form a straight line. You may do more than this if you wish.

You will still need to do your spellings, reading and practice times tables every week.

The first piece of creative learning is due back at school by Friday 4th May, 2nd piece by Friday 22nd June.

<p>Write your own recipe for a stone age dinner using the sort of ingredients that would be available to them. Include measurements such as 2kg of rhinoceros meat.</p> 	<p>During the Stone Age, people lived in caves. If you had to live in a cave what would you like it to look like and what would be in it? Be as creative and imaginative as you like!</p> 	<p>Research the stone age and make a poster displaying your interesting facts</p> 
<p>In Science we are learning about stones and rocks. Have a look around your house and garden. What kinds of rocks and stones can you find? Describe them. How are they different from each other.</p> 	<p>Write a diary entry about a boy or girl living in the Stone Age times.</p> 	<p>Stone Age people build shelters to live in using materials they had gathered. Gather some natural materials and build a model shelter.</p> 
<p>Make up your own story, it can be about anything you like but tell it through cave art pictures!</p> 	<p>Imagine that you have been whisked back in time to Pre-historic Britain. You have been allowed to take one person or one object from 2018. What or who would you take and how would you explain your choice?</p> 	<p>Write a list of at least 5 questions that you would like to ask a Stone age person</p>
