ATTENDANCE INITIATIVE

Dear Parent/Carer,

This term sees the start of our new attendance initiative. Every child will be monitored throughout the term for their attendance and punctuality. Those children who have 100% attendance at the end of the term will be awarded a bronze badge. If the child successfully completes 2 terms with 100% attendance, they will be awarded a silver badge, and to obtain the gold badge they will have achieved 100% attendance for the whole academic year.

At the end of the summer term all those who have a silver or gold badge i.e had 100% attendance for at least 2 of the 3 terms, will be entered into a draw to win one of our prizes. (Details of prizes to follow)

We understand that children are ill sometimes but it is important to ensure their absences are minimal in order for them not to impact on their progress in class and give them the best chance of success.

Our 'Late initiative' introduced last term has proved to be very successful and will be continuing this year.

Thank you for your support and I look forward to continuing to see an improvement in both attendance and punctuality.

Yours sincerely

Mrs E Thorn
Head of School
