

Each week, choose one activity from the boxes below, either English, Maths or topic. Work hard to complete it to a high standard, then hand in your finished homework by Tuesday. The best pieces of work will be celebrated on Dojo.

## Maths

- Generate a 3 digit number and use the bus stop method to divide by 3.
- Design a poster that explains how to multiply and divide fractions.
- Choose 5 important dates in history and write them in Roman numerals.
- Practise your timetables for 6, 7, 8 and 9.
- Create a board game using your knowledge of factors and multiples.
- Make a pairs game using division/multiplication facts for the above time tables.
- 

## English

- Imagine you were the first person on the moon. Write a diary entry describing what you saw, felt and thought.
- Design a book cover and write a blurb for Wonder.
- Use a dictionary and look up your spellings.
- Write a paragraph including all your spellings!
- Choose a paragraph and write in your best handwriting. Can you add in a semicolon to join clauses?
- Write a set of instructions describing how to make a periscope.

## Topic

- Who was Katherine Johnson? Create a fact file describing her importance to the space program.
- Design and build our solar system.
- Create a mnemonic to remember the planets in our solar system.
- Make your own periscope.
- Draw and label a diagram of the eye describing how we see.
