

Homework Grid - Oak Class

Our topic this term is 'Inventions'.

Creative homework is a long term project designed for parents and children to work on together. You must do the middle square and then work your way through the rest.

This homework needs to be completed and handed in by 23rd March 2018

<p>Research and describe the 3 most famous volcanoes in the world. Where are they? Are they still active? Why are they famous?</p> 	<p>Research William Morris and create a painting in his style.</p> 	<p>Do you think children should have homework? Write a persuasive letter to Mrs Thorn explaining your arguments and convince her to your point of view.</p> 
<p>What is gravity? Can you draw and annotate a diagram to explain gravity?</p> 	<p>Design and create an invention of your own. Think about what your invention will do and what its purpose is.</p> 	<p>Imagine you are a street child in Victorian times. Write a recount describing what a day in your life is like.</p> 
<p>Choose five animals and find out the Latin name for them. Draw and annotate your animals in Latin.</p> 	<p>Read a chapter book and write a book review. Can you convince me to read the book?</p> 	<p>Create a story board based on 'The Lost Thing'. You can use this in ICT to create an animation.</p>
