

Block 1		The yearly overview is a broad guide to suggested coverage over the course of the academic year.									
1	2	3	4	5	6	7	8	9	10	11	12
Place value	Place value	Addition and subtraction	Addition and subtraction	Time	Multiplication and division	Multiplication and division	Review / assessment	Fractions	Fractions	Problem solving	Geometry
Block 2		The key principle is that once a topic has been taught, it is continually referenced in subsequent teaching.									
1	2	3	4	5	6	7	8	9	10	11	12
Geometry	Money and decimals	Money and decimals	Place value	Addition and subtraction	Addition and subtraction	Review / assessment	Multiplication and division	Multiplication and division	Problem solving	Fractions	Statistics
Block 3		In each 12 week block there is at least one week for review and assessment.									
1	2	3	4	5	6	7	8	9	10	11	12
Statistics	Place value	4 operations – problems	Money and decimals	Length, height, area and perimeter.	Length, height, area and perimeter	Review/assessment	Patterns and relationships	Volume	Mass	Number facts	Problem solving

Year 6 yearly overview will look slightly different as weeks will be given up to revision of key topics.
