New Uniform

Dear Parent/Carer

As we look to having the new school logo on our uniform, we have researched a variety of purchasing options. Unfortunately, our current supplier of school uniform have informed us that they are putting their prices up. In order to source the best deal we can, we have a couple of different options and would to know your views before we make a final decision.

Uniform is currently ordered from Amazing Uniforms and available for you to purchase directly from the school. However this is subject to us having the correct size in stock and our orders have to be in bulk.

Alternatively Danielle's uniform shop in Rochford (there is also a branch in Hockley) would hold all items in of uniform in stock, whilst slightly more expensive on some items, pricing is comparable and you would be able to buy directly from them at any time including weekends and school holidays.

The final option we have is to instruct Tesco's to supply on our behalf. Again you would purchase directly from them but this would have to be ordered in advance online through their Tesco Direct website. Uniform could be posted to you for a £3.00 charge (returns are free). Their jumpers are slightly thinner but 100% cotton and good quality, we have a sample in the office if you would like to see it. You would be able to collect Clubcard points and the school PTA receives 5% donation on every order placed.

We appreciate that cost is an important factor as well as availability, below are some prices we have been quoted (please note these are only a guide at this stage)

	Amazing uniforms	Danielle's	Tesco
V neck sweatshirt	£8.49	£8.75	£7.00
Cardigan	£11.21	£10.99	£8.00
Crew neck sweatshirt	£7.95	£8.75	£7.50

Please complete the slip and return to the office by if you have a preferred supplier.
