Waterman Primary School Newsletter No: 17

Date: Friday 19th January 2018

Dear Parents / Carers,

What a busy week! I would like to take the opportunity to thank all the parents that supported the PJ, Pizza and Movie night. Whilst there was fun for our pupils, the core purpose had been to invest support for you all as parents and carers. The internet is an amazing source of information and can allow us to access all sorts of services at the click of the button. But in this ever changing world of technology the dangers and risks are also changing at great speed. We hope you found the insights shared by EST E-safety and the 2 Johns informative and valuable.

As you know we also have had an HMI Ofsted inspector in school. Thank you again to the parents that were able to take the time and respond to the survey that was sent out to support her in the work she was doing. We now await her report to confirm outcomes which we will share with parents, once received. I would like, however, to share with you some feedback regarding the pupils. Our Inspector was keen to tell us that each and every one that she spoke to were "Fantastic ambassadors for Waterman Primary." What a great compliment for your children, we are very proud of them.

We are very pleased to have been awarded the Gold Standard Safe Award which recognises excellence in Child Safeguarding. A huge thank you to Mrs Fincher for working with the assessor during the rigorous assessment process and for others who supported her through the process.

Mrs E Thorn
