The Boulevard, Rochford, Essex. SS4 1QF
Head of school: Mrs Eileen Thorn

Dear Parents/Carers.

We have had an amazing start to our year with everyone having a great attitude to their learning. We have all learnt a new skill making origami swans. This took us through a learning journey of what it means to be a learner and we will be using these skills every time we learn something new this year.

Our topic this term is World War 2 and if you have any interesting historical facts, then please share them with your children. We also encourage your children to do any research on this subject to help them with their learning in the classroom. During English lessons we will be reading Bomber Dog by Megan Rix to help us gain a deeper understanding of World War 2 whilst also developing our English skills. We will also be making poppies for the Festival of Remembrance and will be displayed at the Southend Cenotaph leading up to Remembrance Sunday.

Spellings will be sent home each week along with times tables to practice, these will be tested each week on a Friday. All children are expected to learn their spellings and times tables and their success will be celebrated, so please support your children in this. We also encourage children to read every night and have their reading records signed, we will be checking!

Please keep checking the class dojo as here you will find lots of useful information and reminders as long as lots of photos' to show you what your children have been learning throughout the day. PE and Forest Schools are on a Wednesday so please make sure your children have the correct equipment for these activities.

We are looking forward to an exciting and action packed year.

Mrs Lincoln & Mrs Warwick
