Waterman Primary School Newsletter No: 14

Date: Friday 11th January 2019

Dear Parents / Carers,

Welcome back, the staff and I would like to wish you all a very happy new year. Welcome to our new families, also, we hope you settle quickly into the Waterman community.

As always, teachers have been working hard to plan exciting activities throughout the coming term to compliment the learning that happens in lesson time. Please see the attached page of diary dates. We will give reminders, update and specific information closer to the dates where required. We were thrilled with the support around our Christmas events and look forward to your continued support into the spring term.

We are lucky to have support via Southend United this term. They will be working alongside year 5 to promote healthy lifestyles as well as reading with pupils across the to highlight the importance of regular reading.

Thank you to those of you that have already returned the surveys regarding parental workshops, if you haven't already done so your feedback would be valued. Spare copies are available from the office. Can all surveys be returned by Tuesday 15th in order that we can begin planning these workshops for you.
