

HEARTS ACADEMY TRUST

Sports Premium Action Plan: Waterman Primary School (2016-2017)

Total Sports Premium: £8415.00 for WPS Total spent: £8427.5

Issue to be address and rationale	Action to be taken	Cost and resources	Who	By when	Impact
Develop skills and interests and provide a broad and balanced curriculum	Continue to employ NW to provide forest school and outdoor adventure lessons to the whole school – NW to liaise with class teachers to support and enhance topics taught in the classroom NW to attend courses NW to deliver Forest School club	½ day support from NW £1316 £177.50 £300	Nicola Wilshire	Ongoing through 2016/2017	Children receive a broad and balanced access to curriculum Development of skills and interests outside the classroom, pupils' surveys reflect enjoyment of this outdoor learning. Acquiring new skills and application of skills in different settings. Pupils' skills and competences were measured and monitored throughout learning. Of the sample chosen as case studies all pupils demonstrated development in the different areas observed: self esteem & confidence, social skills, language and communication, motivation and concentration and physical skills.
Children have access to quality teaching during PE lessons	Continue to employ SW to provide sports lessons across years 1-6	1 lesson from SW £1417	Sonya Williams	Ongoing through 2016/2017	Children receive quality teaching across a range of sports Possible children identified for sports competitions More opportunities for inter trust related competition. Lead Practitioner and School PE Leaders liaised to plan a series of events including gymnastic performance, athletics and an EYFS Trust Sports Day. These events were tailored to the curriculum, giving pupils a focus and goal to work towards in their learning. Due to the success this has been continued, diary dates for future events have already been agreed for 17/18: <ul style="list-style-type: none"> • Multi-skills • Gymnastics

					<ul style="list-style-type: none"> • EYFS Mini sports day • Year 1 Mini sports day • Year 2 Football/Ball skills Festival
Attend more inter trust and sports competition	HEARTS Trust Competitions Gymnastic event Athletics Event EYFS Trust Sports afternoon	Transport costs £345 £1218	Lori Henderson Laura Glover	3 competitions by summer 2017	Children have opportunity to compete against other children Have more experience of competition Demonstrate HEARTS values during these competitions. Curriculum was tailored to provide a focus and pupils were aware that they could be selected to represent the school. These events were hosted by different schools in the Trust giving pupils the opportunity to travel and take part as either the 'home' or 'away' teams; experiences often provided by outdoor sporting activities.
Development of PE as a subject and developing the profile of physical activity within the school	Display in hall promoting sports in and out of school High quality resources purchased including outdoor learning equipment After school Running club Promote inter school competitions Healthy lunch times with activities and Play Leaders / Academy Ambassadors	£591.27 Sonya Williams £155 £100 for transport	Ros Skipper Lori Henderson Sonya Williams D Hicks R Skipper	Oct 2016 and renewed termly	More children become engaged with sporting activities in and out of school. 54 pupils were engaged in sporting / outdoor activity based clubs Successes are celebrated across the Trust Running club was established – 6 pupils from Key Stage 2 joined this club which was joint with Stambridge Primary. Equipment bought supported active lunchtimes, older pupils supported the Reception children integrate onto the playground at the beginning of the year. LSAs / MDAs supervised team games such as football at lunch time. 6 Academy Ambassadors / 6 PALs trained together with Stambridge pupils. Resources for PALs bought. Both groups of pupils supported leading of games especially with younger pupils, supporting sharing of equipment and learning games and in doing so promoted Hearts Values on the playground, with a focus on lunchtimes.
To improve inexperienced staff development and knowledge of PE curriculum	Lesson plans to follow new HEARTS Curriculum Staff training courses to support SCITT students	Louise Lawton £1586	Directors of Learning	Termly	Staff has a greater subject knowledge of different sports and how to teach them effectively. SCITT students supported and lead outdoor learning activities and supervised PE lessons. One teacher, now an NQT, has shown the confidence to lead a football club since September 17

To continue to improve and develop (introduce non-swimmers) swimming skills and techniques.	Highlight the importance of swimming through newsletters. Chn to attend swimming lessons at Waterman in summer term. <i>Pool in need of repair; pupils who needed to achieve 25m taught at local pool, incurred cost of transport / pool hire</i>	£156 £465	Swimming teacher Lori Henderson	Summer 2017	All year 5 and 6 pupils attended swimming lessons. A reduction of the number of non-swimmers. At the start of swimming lessons 9 /24 pupils were classified as non swimmers. At the end all pupils were able to swim a short distance, 21% still required aids. 33% of the yr 5/6 group achieved swimming 25m unaided. Year 6 29% started as non swimmers with some not entering the water. At the end of all these were confident to enter the water and swim short distances with use of aids. All others pupils were able to swim unaided with 43% of year 6 achieving the 25m.
To provide learning opportunities which are enriching experiences.	Trainers from outside agencies work with children SUFC Cricket Coach	Free Free to school	Lori Henderson		KS2 Children learned about healthy life styles as well as having training sessions with coaches. Cricket will be offered as lessons again and a summer after school club offered. The school is currently working with Southend to explore how future initiatives can be exploited as well as developing links for regular clubs.
