

Wednesday 31st January
NSPCC Number Day

Dear Families,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2 February 2024.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

- We are taking on Buddy’s Key Challenge in our classes to help raise vital funds for the NSPCC.
- We are working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe* mascot. Family and friends can sponsor pupils to complete the challenge.
- We are having a fun day of maths activities and we will be taking part in ***Dress like a rockstar***. Pupils are asked to dress to impress like a rockstar to raise money and promote our times table app TT Rockstars! To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event.

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at **Waterman Primary School** will make an enormous difference to children today and help the NSPCC be there for children tomorrow.
