Re: **Waterman Parent Forum – Thursday 15<sup>th</sup> February 2024**

Dear Parents,

At Waterman Primary School we continue to endeavour to work in partnership with our parents, carers and members of the community. To that end, we are pleased to say that we are holding the second of our termly parent forums. This will be an opportunity for parents and members of the community to come into our school and discuss 'issues of the day'. We continue to strive to see improved relationships between ourselves as a school and yourselves as parents and the community. Following the success of the last parent's forum we hope that this will continue to be one of many positive steps to ensure the growth of the community.

We will be holding the second of these parent forums on **Thursday 15<sup>th</sup> February, at 9:00am**, in our school hall. Present in the meeting will be myself as Head of School and I will be joined by Mr. Wry – our Executive Head.

As you are aware the intention of these termly parent forums are to provide an improved opportunity to hear from you all. This is a valuable chance to discuss what is going well in our school and community, and what you would like to see improved. We expect the discourse to be polite and professional, and we welcome your attendance at this meeting.

There is no need to 'book in' via our office – you can simply turn up on the day and attend the forum. We have set the following items for the agenda thus far (see below) but if there is anything else you would like added to the discussion, you can either bring it with you on the 15<sup>th</sup> February or email our administration team (email address above) who will forward this on to ourselves, and we can then add it to the agenda.

We look forward to continuing to reinvigorate our parent partnership and we see this as a great opportunity to work in better collaboration. We hope to see many of you there!
